

LifeStyle International Christian University **Student Application Letter** *(For Special Third World Discount Scholarship Applications)*

Dear Applicant,

Thank you for your interest in LICU, we are excited to hear that you desire to join us in this life-changing program! **LICU is offering scholarships, but to those who commit to stand with us, and bring One other student on board within the first 3 months of study.*** We want to support and stand with you in faith so you can receive the benefits of a LICU scholarship.

Just think, you can save up to €1,305 for one term of study, *(rates applicable to undergraduate studies)*. This way, we are standing together hand in hand. As we assist you to fulfil your dreams, you stand with us to help increase our LICU student body.

This letter explains the application process that needs to be completed before any letter of acceptance and assessment can be sent. This will then enable you to enrol into the first course.

**Note: Students who do not bring another student on board, would after 3 months lose their scholarship status, and would need to pay the regular rates if they wish to continue.*

Eight Points to Remember:

1. Please fill in the student application form.
2. Hand one recommendation letter to your pastor and the other to another person who knows you sufficiently enough to recommend you to LICU. Please don't forget to first indicate the information required on the top of both letters **before** you pass them on!

Be sure to receive them back in a **sealed envelope** in which they need to be forwarded to our head office, together with the rest of your application material.

3. **For students who have completed High School only:**
 - Send us an official copy of your high school graduation.
4. **For students who have gone beyond High School and like to receive possible credits for these years of study:**
 - Ask each institution to provide us with official transcripts, to be sent directly to our office for assessment. These transcripts need to show the type of studying, the time you attended and the grades/degrees you achieved. *(In order to avoid a £50/€50 reassessment fee all transcripts need to be received by the office within 60 days of your application date).*
Note: Some institutions might charge a small fee for handling, administration and postage.
5. Submit all **completed** application material together with **three passport photos** and the application payment to our LICU head office (*please see address details below*).
6. Once our office has received your application form and payment (*please also remember to indicate on the Statement of Agreement page, whether you would like to benefit from additional discounts available for students who order more than one course at a time*), you will then receive your **first course**, which is the **Student's Handbook, Study Guide Volume 2** (*a foundational course for your university program*), including the handbook exam and affidavit, which need to be returned to our office, as part of your enrolment process (*worth 3 credit hours*).
7. The application fee is available for **£15** (*instead of £30*) **plus £24** (*instead of £152*) for the student's handbook course, **plus £5** handling fee; **total of £42/€47** (*instead of £187*).
8. **Payment Options:** Students may submit their fees through our **PayPal account** (PayPal.me/alanpateman) or into the following **bank account:**

Name: Alan Pateman

IBAN: IT21G3608105138201237901252

(For Special Third World Discount Scholarship Applications)

LifeStyle International Christian University **Student Agreement / Student Contract** ***(Third World Discount Scholarship Applications)***

Dear Applicant,

Please read carefully the following Statement of Agreement and place your signature in the spaces provided. This is to help you gain all information and financial saving details, required for your enrolment with LifeStyle International Christian University. If you have any questions, please don't hesitate to contact our office (Tel: 0039 366 329 1315), we look forward to hearing from you.

1. TUITION/COURSE FEES:

Our normal tuition fees are: £152/€172 for undergraduate students, and £187/€212 for graduate students. For those who apply and qualify for our excellent LICU "Scholarship" Program, must understand, that for any scholarship program to be viable and self-sustaining, the following "non-negotiable" conditions must be attached:

This Special Scholarship Discount enables students to study all LICU courses at a **84% discount**, which is only £24/€27 + £4.50/€5 book fee + £5/€5 handling fee for undergraduate courses and £27/€32 + £4.50/€5 book fee + £5/€5 handling fee for graduate courses.

Remember however that the University is not able to function on these discounted rates (*i.e. covering: course work, credit hours, administration, staff wages, office expenses, etc. plus future developments*); therefore Apostle Doctor Pateman subsidises the other £130 of the £152 regular rates for every course taken by students on this scholarship level. This means that Doctor Alan and his Union "Alan Pateman Ministries International," has to find a total of £1,170 for every 9 courses taken by an individual student (*which is what they save on scholarship rates*).

Therefore out of gratitude and respect we ask each student to sign an agreement, where they commit:

- To take at least 1 course per month for the minimum of 1 academic year/9 courses (***students who stop after 1, 2, or 3 courses etc. without having fulfilled this minimum requirement, are still required***)

to pay for the remaining courses to make up the 9 course order minimum, as based on their Special Scholarship Discount Agreement/Contract). Note: This requirement is not applicable for students who pay the regular study rates, i.e. £152/€172 + £5/€5 handling fee per undergraduate course or £187/€212 + £5/€5 handling fee per graduate course.

- To introduce at least 1 new student within the first couple of months of their studies
- To advertise the university on their media outlets monthly

These same requirements also apply to those who have been awarded a full scholarship, as part of the international correspondence program; who are also committing to advertise and promote the university on a monthly basis, and to bring other students on board.

Apostle Pateman and his Executive Directors strongly encourage all students to honour this agreement, which helps give back to the University some of the seed sown into our students' lives. Remembering also that there is a variety of ways to advertise LICU (*including personal Facebook pages and other social media platforms; especially word of mouth, etc.*)

We trust this information better helps you understand the heart of Doctor Alan, (*as LICU is the Teaching Arm of his apostolic ministry*) and his desire to enable as many students as possible to benefit from this excellent program.

Note: Students who do not register for at least one course per month and/or don't introduce a new student within the first 3 months of their studies, will be automatically charged the regular study rates.
